

# STALLS

*due SEPTEMBER 15, 2010 or with your entry.\**

First come, first serve. Management will try to stall you with or near those you list below. However to guarantee stalling together, we recommend you mail your entries together. The \$35 stall fee is for the entire weekend, from October 15, (Friday) noon through Sunday evening.

\* If you are entering the "Classic" and choose to pay the late fee after Sept. 15, and you wait to pay for your stall, we cannot guarantee the availability or the location. We will have some extra stalls but they will be filled on a first come basis.
